ELPHAZ MORARA OTERO

Paid Media Specialist · Meta Ads, TikTok Ads, Google Ads, Social Media Management

elphazmo@gmail.com

PROFILE

Paid media specialist who plans, launches and optimizes campaigns on Meta, TikTok and Google, and manages social media so paid and organic work together. Experienced in audience targeting, creative testing, budget management and reporting, with a focus on lowering cost per result and growing qualified leads and sales. Holds a Bachelor of Business Information Technology (BBIT) from Multimedia University of Kenya.

WHAT I BRING TO THIS ROLE

- **Meta and Google campaigns, end to end.** Account setup, audience building, creative testing, budget management, scaling and reporting.
- **Data-led targeting.** Audience segmentation, prospecting and retargeting guided by funnel performance.
- **Social media management.** Content planning, scheduling, community engagement and growth, aligned with paid activity.
- **Analytics and reporting.** Connecting ad spend to leads, sales and return on investment using platform dashboards and Google Analytics.
- **Clear communication.** Regular performance updates and practical recommendations for clients.

EXPERIENCE

Paid Media & Social Media Specialist | [Upwork] | 10/2024 – 2/2026

- Planned, launched and managed paid campaigns on Meta (Facebook and Instagram) and Google Ads against CPL, CPA and ROAS targets.
- Rebuilt campaign funnels across search and social to improve lead quality and conversion rates.

- Allocated budgets across prospecting, retargeting and retention to control acquisition costs while growing results.
- Managed client social media accounts, including content calendars, posting, community engagement and performance tracking.
- Presented results and optimisation plans to clients through regular reports and calls.
- Kept ad accounts healthy and policy-compliant, resolving ad disapprovals and tracking issues promptly.

Paid Media Specialist | [Upwork] | 08/2022 – 08/2024

- Ran Meta and Google Ads campaigns for e-commerce and direct-to-consumer brands.
- Improved ROAS and reduced CPA through structured creative testing, audience expansion and funnel optimisation.
- Worked on ad hooks, formats and messaging to raise click-through rates.
- Supported landing page and conversion path improvements to lift conversion rates.
- Delivered weekly performance reports using Meta Ads Manager, Google Ads and Google Analytics

SELECTED WINS

- Lowered customer acquisition costs by restructuring campaign funnels and rebalancing spend across prospecting and retargeting.
- Improved ROAS for e-commerce clients through consistent creative testing and audience segmentation.
- Grew engagement on client social accounts by pairing organic content with paid promotion.
- Built evergreen retargeting campaigns using UGC-style and product-focused creative.
